A white sailboat with two large, light-colored sails is sailing on a deep blue sea. The sky is filled with scattered white and grey clouds. The boat is positioned in the lower center of the frame, moving towards the right. The water shows some ripples and a slight wake behind the boat. The overall scene is serene and captures a classic sailing experience.

EXTERIOR PHOTOS

A white Beneteau Whisper motorboat is shown at night, docked at a wooden pier. The boat's interior is illuminated, and two bright green underwater lights are visible, casting a glow on the water below. The boat has "whisper" and "N.Π. 12485" written on its side, along with a "Prima" logo. An orange lifebuoy with "whisper" written on it is attached to the side. The background shows a dark body of water and a distant shoreline with lights.

A high-angle, forward-looking view of the interior deck of a boat. The deck is white with dark grey leather seating on both sides. The seating includes large rectangular cushions and several square pillows with a white diamond-quilted pattern. In the center, there is a long, narrow table with a white top and stainless steel railings on both sides. The table has two circular cutouts and a pair of stainless steel handles. At the front of the table, there is a circular compass. The boat's windshield is visible in the background, showing the water and the boat's mast. The lighting is bright, suggesting a sunny day.
