USEFUL INFORMATION ABOUT THE ARRIVAL IN MARINA ALIMOS

About the Marina :

Marina Alimos which is also known as Marina Kalamaki is the largest Marina in the East Mediterranean and it is located South West of Athens 15 km from the city center and 35 km from El.Venizelos International Airport.

How to reach the Marina :

Marina Alimos is served by a dense transportation network of Trams, Buses and Taxis with stations 500 meters from the Marina. In order to reach the Marina from Athens International Airport El.Venizelos, there are 3 ways:

- I. The public bus runs 24 hours every 20-30 minutes. Name of the bus is X96 and take approx. 60 minutes to get to the Marina. The bus stop is outside the Marina and it's called "EDEM" (ask the bus driver for help). Ticket cost Euro 5.00€/person and can be purchased by the bus driver.
- II. The metro (subway) which will take you to Syntagma Sqr. In the city center. From there, you may get the Tram Line to Alimos Marina (EDEM stop). The metro runs every 30 minutes from 05:30 till midnight on a daily bases. The ticket cost 6.00€/person and it covers the change of the Tram Line.
For further information on timetable, please visit www.amel.gr
- III. The taxi which is certainly the most convenient way to reach the Marina. There are plenty of taxis just outside the airport. A regular taxi (maximum 4 persons) cost Euro 40-45 € and it takes approx.. 45 minutes.

Our staff makes every effort to help you mooring safely, therefore you'd better call us 30 minutes – 1 hour prior your arrival back to Marin Alimos so that you get berth-guidance.

Facilities:

Water and offshore electricity 220V power are available on the pier without extra cost. Fuel is delivered at the pier by fuel wagon/car at the end of every trip.

**ATTENTION: PLEASE BEWARE OF YOUR PERSONAL BELONGINGS
WHEN YOU USE THE SHOWERS & TOILETS.**
