Spend your day soaking up the sun, unwinding, and enjoying effortless access to the sea. Lounge in the teak cockpit, equipped with a teak table, plush cushions, shades, a fridge, and speakers, or grab the complimentary SUP board to explore the nearby waters.

After a refreshing swim or paddle boarding session, rinse off with a quick shower before relaxing on the sunpads, either on the roof or in the bow area.

## INSIDE THE HAPPY KEY

Bright and inviting, the saloon offers the perfect space for cooking, dining, or unwinding in comfort.

With a generator, air-conditioning/heating, and a well-equipped galley that includes a gas stove with oven, fridge, freezer, and microwave with grill, you'll have everything you need to feel at home throughout your cruise.

# COMFORT FOR UP TO 12 GUESTS

The four double cabins are bright and inviting, featuring large windows that provide excellent natural light and stunning views, along with ample storage. Each cabin includes a private en-suite bathroom for added convenience.
