Berths: 12
Cabins: 5
Number of heads: 3

Following in the wake of the Oceanis 51.1, her elder sister, the Oceanis 46.1 immerses you in the luxury of a large cruiser. Elegant, premium comfort, smart living spaces, easy to sail, she offers a unique cruising experience for a boat this size. Easy to use and to handle, the Oceanis 46.1 is a real pleasure to cruise and can be adapted to a wide range of sailing profiles. Sailing the Oceanis 46.1 is extremely simple, with an in-mast furling system, self-tacking jib and the all the halyards and sheets brought aft to a single winch on either side of the cockpit. Enjoy that confident feeling you get from being perfectly in control of the situation even during the trickiest maneuvers.

There are two sun loungers together with drinks holders on either side of the companionway. These can easily be lifted and brought forward onto the fore deck.

When it comes to comfort, the considerable space on board, smart fittings and small details make all the difference. The comfortable extra-large cockpit and table are perfect for large numbers and pleasant meals in good company.

A single step down from the cockpit to the swim platform, equipped with a strong swim ladder, affords easy access to the sea and all its pleasures.

The Oceanis 46.1 has a very spacious cockpit with space for 8 guests around a large table. The shroud-free deck, large number of hand rails and easy access to the swim platform make movement fluid from stern to bow.

WELCOME TO GREECE

Wishing you a wonderful cruise!
