

BALI 4.1

BALI 4.1

The integral deck, efficient for sailing, allows you to move smooth around the various spaces, from the aft platform with bench seat to the forward cockpit with lounge and sunbathing area. The full-comfort flybridge is home to an immense and safe relaxation area as well as the helm station designed for single-handed or short-handed use... not to mention the performance and quality that make the Catana group's range so successful.
